## **Booking conditions please read carefully:**

It is important to accept that all the activities G2 Outdoor Ltd run (including Mountain biking and Rock climbing) are physical and demanding sports, which obviously have inherent hazards associated with them and the environments within which we operate have an element of risk. Whilst G2 Outdoor Ltd take all necessary precautions to try and ensure safety of all participants, unfortunately accidents will occur in consequence. Each participant should familiarise themselves with the hazards and try and minimise these as much as possible by complying with G2 Outdoor Ltd risk management guidelines.

The management accept no responsibility whatsoever for any loss or injury resulting from any persons' involvement in mountain biking. Furthermore, it is understood and agreed that individuals participate at their own risk.
