

13 week instructor training scheme.
July – September

Covering canoeing, kayaking, mountain leader, trail bike leader, single pitch climbing, first aid, Canyoning and gorge walking as well as duckies.

NGB awards covered include level II training kayak or canoe, SPA training, ML training, Trail bike leader training and a first aid qualification.

Skills up to 3-4 star kayak and canoe and skill development for Canyoning and gorge walking (as no specific NGB). As well as coaching skills including observation and analysis training, getting to know your learners, group management and decision making. Also skills in how to become a freelance instructor including contacts and introductions to potential employers.

Cost includes the training fees for the NGB's.

Benefits: Training from some of Britons best instructor trainers employed by BASI (British Association of Snowsports Instructors), equipment deals, equipment pool to use and hands on group experience through G2's weekend groups. This is a training based course and you will not be used as a slave doing all the menial tasks associated with the usual instructor training schemes.

Minimum of 5 days per week training over the 3 month course.

Course cost £3750 non residential.
