

4 week Mini Gap instructor training course

Have you ever thought about becoming an outdoor instructor?

Our mini gap training courses will help you find out the skills required to pursue a career as an outdoor instructor. Find out what paths are can take to get there and what you need to do next.

Aimed to give you an insight in to the world of an outdoor instructor and develop some new skills. You will be introduced to sports such as kayaking, canoeing, hill walking, rock climbing and a little Canyoning thrown in for good measure. Develop the techniques and tactics for the individual sports and learn how to teach in this environment.

Learn risk management, group leadership and teaching skills. Learn about the next steps to becoming an outdoor instructor from what NGB (National Governing Body) qualifications you can go for to where you can find work.

Included in the course:

- 5 days per week training
- Use of equipment
- On course transport
- First aid training course

Not included:

- Accommodation and food
- Transport to and from Aviemore
- Insurance
- Personal clothing and equipment

Course cost £1150
